

# Drinks

## Forever Aloe2Go™

You love the benefits of Aloe Vera Gel. And you love the sweet, nutritious taste and the ORAC blast of Forever Pomesteen Power®, which contains Pomegranate, Pear, Mangosteen, Raspberry, Blackberry, Blueberry and Grape Seed Extract. Forever Living Products has taken the best of both drinks and combined them into a single-serving, convenient foil pouch! **Forever Aloe2Go™** is ready to drink anytime, anywhere - at your desk, on the trail, in the car, on the go. Just grab a pouch, tear at the notch, and drink in the tasty benefits of these two nutritious drinks!

**Aloe2Go** can give you the great-tasting energy boost you need by supporting your body with complex carbohydrates. By combining the refreshingly sweet flavor of the Mangosteen, (dubbed the "Queen of Fruits" for its exquisite taste) and Aloe Vera Gel, we have created the Ultimate Antioxidant Cocktail. Your immune system won't know what's keeping it in top form - but you will!

The Pomegranate has more antioxidants than blueberries, green tea or wine. The Mangosteen fruit has the highest content of xanthones found in any fruit. Some studies have shown that xanthones are even better than vitamins C and E for boosting the body's immune system! Aloe Vera Gel provides natural support for the immune system because of its high content of polysaccharides and other natural immune enhancers.

With these results in mind - along with its delicious taste and convenient pouch - you're going to want to make sure your supply of convenient **Aloe2Go** pouches never runs low!

## Forever Pomesteen Power®

There's no disputing the fact that antioxidants are extremely vital to our health and well-being. There is, however, much discussion today among nutritionists as to which fruit is the most powerful antioxidant, or which contains the most Xanthones or has the highest ORAC value rating. Forever Pomesteen Power has them all with a proprietary blend of fruit juices and extracts, including Pomegranate, Pear, Mangosteen, Raspberry, Blackberry, Blueberry and Grape Seed.

ORAC value (Oxygen Radical Absorbance Capacity) is an indicator of how well an antioxidant inhibits free radical damage. The ORAC value of fruits can vary greatly, even when testing the same fruit at different times after harvesting. What is important to know is that all of the ingredients of Forever Pomesteen Power are near the top of the list in ORAC value, especially Pomegranate and Mangosteen fruit.

Pomegranate juice has more polyphenol antioxidants than red wine, green tea, cranberry juice and orange juice. In addition, it is a good source of Vitamins A, C, E and the mineral Iron.

Mangosteen is a popular fruit in Asia. Its exquisite taste prompted Queen Victoria to declare it her favorite fruit, henceforth it has been referred to as the "Queen of Fruits!" Its ORAC value is very high, and it is rich in beneficial Xanthones. Xanthones are a family of naturally occurring

nutritional compounds in fruits that are super powerful antioxidants.

Experience the incredible power of antioxidants from Pomegranate, Mangosteen, and other exotic fruits with Forever Pomesteen Power!

## Forever Freedom®

Forever Freedom has combined Aloe Vera with substances that are helpful for the maintenance of proper joint function and mobility in a tasty, orange-flavored juice formula.

We've taken Glucosamine Sulfate and Chondroitin Sulfate - two naturally occurring elements that have been shown to help maintain healthy joint function and mobility - and married them with our stabilized Aloe Vera gel. To this, we've added vitamin C and MSM, a primary source of bio-available sulfur the body needs to maintain healthy connective tissues and joint function.

Glucosamine Sulfate and Chondroitin Sulfate are natural substances that help maintain the structure and health of cartilage, keeping this natural "shock absorber" well hydrated. They also help keep the lubricating fluid within the joint at the necessary viscosity to allow one surface to glide freely over another. As the body ages, it is less able to produce these natural elements of healthy cartilage which can then lead to "wear and tear" on the joints.

Forever Freedom provides the usually recommended amounts of Glucosamine Sulfate (1500mg), Chondroitin Sulfate (1200mg) plus 750mg of MSM and 250g of Vitamin C per 4oz serving.

When combined, G.S., C.S., Vitamin C and MSM provide the first line of defense against deterioration.

As with other FLP products, these nutrients are sourced naturally and are considered to be exceptionally safe. Make Forever Freedom a practical and nutritious way to start your day!

### INGREDIENTS

Stabilized Aloe Vera Gel (Juice), Sorbitol, Natural Orange Juice Concentrate (Flavor), Fructose, Glucosamine Sulfate, Chondroitin Sulfate, Natural Orange Flavor, Methyl Sulfonyl Methane, Ascorbic Acid (Antioxidant), Citric Acid, Potassium Sorbate (To Help Protect Flavor), Sodium Benzoate (To Help Protect Flavor), Tocopherol (Antioxidant).  
**Contains Shellfish (Shrimp, Crab, Lobster).**

### Nutrition Facts

## Forever Aloe Bits N' Peaches®

Forever Aloe Bits N' Peaches provides another great way to enjoy 100% Stabilized Aloe Vera Gel with just a touch of natural peach flavor and peach concentrate. A taste sensation like no other, it contains pure bits of Aloe Vera, bathed in the flavor of sun-ripened peaches.

For many centuries, people all around the world have used Aloe Vera for its health benefits. The addition of peaches provides carotenoids - valuable as antioxidants and a source of vitamin A, and essential for maintaining the proper function of the immune system.

Bits N' Peaches offers many healthful ingredients - all packed into a great-tasting drink. Pour over ice or mix with fruit juice, and enjoy the delightful taste of nature's bounty any time of the day!

### INGREDIENTS

Stabilized Aloe Vera Gel (Bits of pulp included), Fructose, Natural Peach Flavor, Citric Acid, Natural Peach Concentrate, Potassium Sorbate (To Help Protect Flavor), Sodium Benzoate (To Help Protect Flavor), Ascorbic Acid (Antioxidant), Tocopherol (Antioxidant).

*The statements contained herein have not been evaluated by the FDA. The products discussed are not intended to diagnose, mitigate, treat, cure or prevent a specific disease or class of diseases. You should consult your family physician if you are experiencing a medical problem.*

## Aloe Blossom Herbal Tea®

Aloe Blossom Herbal Tea is a natural blend of leaves, herbs and spices, especially prepared to provide an outstanding flavor and a rich aroma. Caffeine-free, it has been formulated to leave you feeling revitalized. Whether you drink it hot or prefer it iced, Aloe Blossom Herbal Tea has a great taste and is easy to prepare.

Refreshing cinnamon, orange peel and cloves impart a warm fruity flavor, along with allspice and ginger to soothe. Combined with aloe blossoms from our own plantations, this low calorie, refreshing tea is a great compliment to our Forever Lite weight management program.

### INGREDIENTS

Cinnamon, Orange Peel, Cloves, Blackberry Leaf, Allspice, Fennel, Ginger, Cardamom, Aloe Blossoms, Gymnema Sylvestre, Chamomile.

### Nutrition Facts

Serving Size 1 tea bag (1.5g) (makes 8 fl. oz.)

Servings Per Container 25

#### Amount Per Serving

## Aloe Berry Nectar

Aloe Berry Nectar contains all of the vitamins, minerals, amino acids and enzymes found in our Aloe Vera Gel, plus the added benefits of cranberry and apple.

Besides their reputation as a cleanser for the urinary tract, cranberries provide a high content of vitamin C. They are also a natural source of pycnogenol, a powerful antioxidant that is particularly useful in maintaining collagen.

Apple juice is noted for its vitamin A and C content, as well as its potassium and pectin.

You can drink Aloe Berry Nectar with meals or alone. The delicious flavoring is totally natural, prepared from a blend of fresh cranberries and sweet, mellow apples. Added fructose (a natural fruit sugar) sweetens it just enough to please both adults and children alike.

### INGREDIENTS

Stabilized Aloe Vera Gel, Fructose, Natural Cranberry and Apple Juice Concentrates (Flavors), Sorbitol, Ascorbic Acid (Antioxidant), Citric Acid,

Potassium Sorbate (To Help Protect Flavor), Sodium Benzoate (To Help Protect Flavor), Xanthan Gum, Tocopherol (Antioxidant).
